Attached for your information is a copy of DoD's latest draft procedures to implement Executive Order 12036. Justice has recently asked all the Intelligence Community departments and agencies for comments by no later than 23 March. I will pull together a draft set of comments including, where appropriate, the comments you made to DoD's last draft. In order to get a draft back to you prior to the Justice deadline, I would appreciate any further comments that you may have by 14 March. Also attached is my letter to DoJ transmitting our revised procedures for §§2-203, 2-204-5, and 2-206.
